CONSENT ORDER

The National Labor Relations Board (“Board”) and the United States Postal Service (“Postal Service”), having entered into a Stipulation for the entry of this Consent Order, it is hereby

I. ORDERED that the Stipulation dated July 13, 2018, is approved and shall be filed.

II. IT IS FURTHER ORDERED that the Postal Service shall, at all of its facilities covered under Appendix A and B (collectively, “the Covered Facilities”), where employees represented by the American Postal Workers Union, AFL-CIO (“APWU”), and/or its constituent local union(s), the National Association of Letter Carriers, (“NALC”), and/or its constituent local union(s), and/or any other labor organization (collectively, “the Unions”), are employed, fully comply with this

Consent Order, and not in any way, by action or inaction, engage in, induce, encourage, permit or condone any violation of said Consent Order;

III. IT IS FURTHER ORDERED that the Postal Service's Covered Facilities, their officers, agents, successors, and assigns, shall cease and desist from:

(a) Refusing to bargain in good faith with the Unions representing employees at the Covered Facilities by failing to provide information or unduly delaying in providing information to the Unions that is relevant and necessary to the performance of their duties as the collective bargaining representatives of unit employees at the Covered Facilities;

(b) In any like or related manner, failing or refusing to bargain in good faith with the Unions in contravention of its obligations under the National Labor Relations Act, as amended (the "Act"), 29 U.S.C. §§ 151-169.

IV. IT IS FURTHER ORDERED that this Consent Order applies to any new or relocated facilities that may be created or reorganized following the entry of this Order, consistent with Appendix A and B and footnotes 1 and 2.

V. IT IS FURTHER ORDERED that for the purposes of ensuring and facilitating supervision of the Postal Service's compliance with its obligations under this Consent Order, and without limiting any Union's rights under the Act or its collective-bargaining agreement, that the Postal Service shall:

(a) Within fourteen (14) days of any request, provide, for the time periods so requested, the Board with the name(s) of the Postal Service RFI coordinator and/or any other representative(s) responsible for ensuring compliance with information requests, bargaining obligations and/or other particular terms encompassed by this Consent Order;

(b) Maintain a functional internal tracking system for the facilities covered by this Consent Order that identifies and logs the following for each request for information submitted by a Union, contemporaneously with the receipt of each request:

- 1) the date listed on the request;
- 2) the date of receipt by the Postal Service;
- 3) the name and job title of the Postal Service representative who received the request;
- 4) the name of the person and union making the request;
- 5) a general description of the requested information;
- 6) the date(s) the information was provided with a description of the information provided and the name and job title of the responder;
- 7) if any request for information is denied in whole or in part, the date(s) of denial together with the reason(s) for each such denial and the position(s) and name(s) of the official(s) denying the request; and

- 8) if a response to any request is provided more than fourteen (14) days from the date of receipt of the request, the date the Postal Service advised the Union of its need for additional time to satisfy the request and an explanation for the delay.

The internal tracking system shall be maintained in a manner that, at a minimum, will permit retrieval according to the date listed on the request. In the event that an information request is received by or otherwise referred to offices beyond the station level for assistance, and a response to the request is provided by these offices, the internal tracking system for the facility or office to which the referral is made shall include all the above information pertaining to the request referred to that facility or office.

(c) Within fourteen (14) days of any request from the Board's Region 10 or the Board's Contempt, Compliance, and Special Litigation Branch ("CCSLB") for information related to specific union requests for information, the Postal Service shall provide, for the time periods so requested, to the Board's Region 10 or CCSLB, copies of all applicable records from the internal tracking system referenced in Section V(b) above.

(d) Any failure to properly and accurately maintain a tracking system shall be construed as a rebuttable presumption that the requested information was not timely provided.

VI. IT IS FURTHER ORDERED that the Postal Service shall, within fourteen (14) days after entry of this Consent Order, provide a copy of this Order

and a copy of the Notice to Employees referenced below, together with written instructions directing that each shall comply with the provisions of the Consent Order, to each District Manager (or equivalent management official), Postmaster (or equivalent management official), Postal Service RFI Coordinator or other Postal Service representative as referred to under Section V(a) above, and to all other supervisors and managers at all the facilities covered by this Order, including acting supervisors and temporary supervisors working in such capacity for at least ten (10) consecutive calendar days. Each person receiving copies of this Order and the Notice to Employees shall acknowledge in writing that he or she has been furnished with copies thereof, understands them, and will conduct himself or herself consistently therewith, and will not in any way commit, engage in, induce, encourage, permit, or condone any violation of this Order. The Postal Service shall retain copies of these acknowledgments and written instructions and shall provide copies to Region 10 or to CCSLB upon request.

VII. IT IS FURTHER ORDERED that the Postal Service shall post a Notice to Employees, drafted by the Board, alongside this Consent Order, at the Covered Facilities in conspicuous places where notices to employees are customarily posted for a period of sixty (60) consecutive days. The notice shall be signed by an appropriate representative on behalf of the Postal Service, and shall be maintained in clearly legible condition throughout the 60-day period. Copies

shall also be sent to the Postal Service manager and supervisors at the Covered Facilities. In addition to physically posting the paper notice, the Postal Service shall distribute notices electronically, by email, posting on an intranet or internet site, and/or other electronic means, if officials at the Covered Facilities customarily communicate with their employees by such means. The Postal Service shall further insure that the posted notices are not altered, defaced or covered by any other material. The Postal Service shall, within fourteen (14) days from the initial date of posting, provide Region 10 and CCSLB with a signed copy of the notice and a certification regarding the posting dates and posting locations. The Postal Service shall also provide agents and representatives of the Board reasonable access to inspect the notice posting.

VIII. IT IS FURTHER ORDERED that the Postal Service shall, within twenty-one (21) days after entry of this Consent Order, file with the Regional Director for Region 10 and with CCSLB, a sworn certification by a responsible official on a form provided by CCSLB attesting to the steps the Postal Service has taken to comply with this Consent Order. The Regional Director and CCSLB shall be supplied a copy of the documents signed by a responsible official, attesting to the dates when the notice was received at the Covered Facilities and the dates when the notice was posted.

IX. In order to assure against violations of this Order by the Postal Service that involve a facility (or facilities) covered under Appendix A, the **COURT HEREBY IMPOSES** against the Postal Service a prospective fine of up to \$17,500 for each future violation of this Consent Order, and a further fine of up to \$100 per day for each day the Court finds the violations to have continued. These fines shall be subject to the following provisos:

(a) No sooner than eighteen (18) months following the Court's entry of this Consent Order, the Postal Service may request in writing that the Board's Assistant General Counsel for CCSLB, or his or her designee, determine whether the Postal Service has been in substantial compliance with the terms of this Consent Order during the first twelve (12) months after its entry. The Board shall notify the Postal Service of its determination no later than ninety (90) days after receipt of the Postal Service's written request. If the determination of the Board's Assistant General Counsel or designee is that the Postal Service was in substantial compliance during this 12-month period, the prospective fine structure outlined above will be reduced to up to \$12,000 for each future violation of this Consent Order and up to \$60 per day for each day the Court finds the violations to have continued.

(b) The prospective fine structure outlined above shall not apply to violations exclusively involving a facility (or facilities) covered under Appendix B.

X. This Consent Order shall not preclude the Board from requesting such other remedies as it deems appropriate to remedy contumacious conduct.
